### Detailed changes from 2011 to today

#### 2016

##### Traditional Beneficiary IRA Disclosure Statement

- This form was created in 2008, and this is its first revision. Numerous updates have been made to standardize the language with amendments from the other IRA types that have had more recent revisions.
- The *Direct Rollovers from Eligible Retirement Plans* section has been retitled *Rollovers and Direct Rollovers from an ERP*. This section has been updated with four numbered subsections.
- Under the *IRA Distributions* section, *3. Tax-Free Distributions to Charities* has been retitled *Qualified Charitable Distributions*. The Qualified Charitable Distribution rule allowing an IRA owner or beneficiary age 70½ or older to have up to \$100,000 per year distributed directly to a charitable organization is now permanent.

#### 2017

The IRS updated Forms 5305, *Traditional Individual Retirement Trust Account* and 5305-A, *Traditional Individual Retirement Custodial Account* as follows:

- **Article I.** Updated contribution limits to 2017 amounts.
